

May 11, 1974

Dear Mr. Richette,

Due to the lack of communication we failed to get the information on the due date for our list of displays to be turned in.

In talking to Maurice Gould, he informed me to go ahead and send the list in to you.

Very sorry of the inconvenience this may cause or has caused. As the new secretary of our club, no information was sent to me.

Yours Truly,

Myrna Hroch
